

CONGRESS OF THE UNITED STATES
Joint Committee on Atomic Energy

December 20, 1950

Mr. Walter Pforzheimer
Legislative Counsel
Central Intelligence Agency
Washington, D. C.

Dear Walter:

We will be very grateful indeed if you would append to the next semi-annual intelligence report any study in which CIA may have described the various individual foreign atomic energy efforts--i.e., a study which gives the status of these efforts and without special reference to Russia.

Sincerely yours,

(Signed) Bill
William L. Borden
Executive Director
